

## Data Download from DBK2.1

### Step 1: Registration in DBK

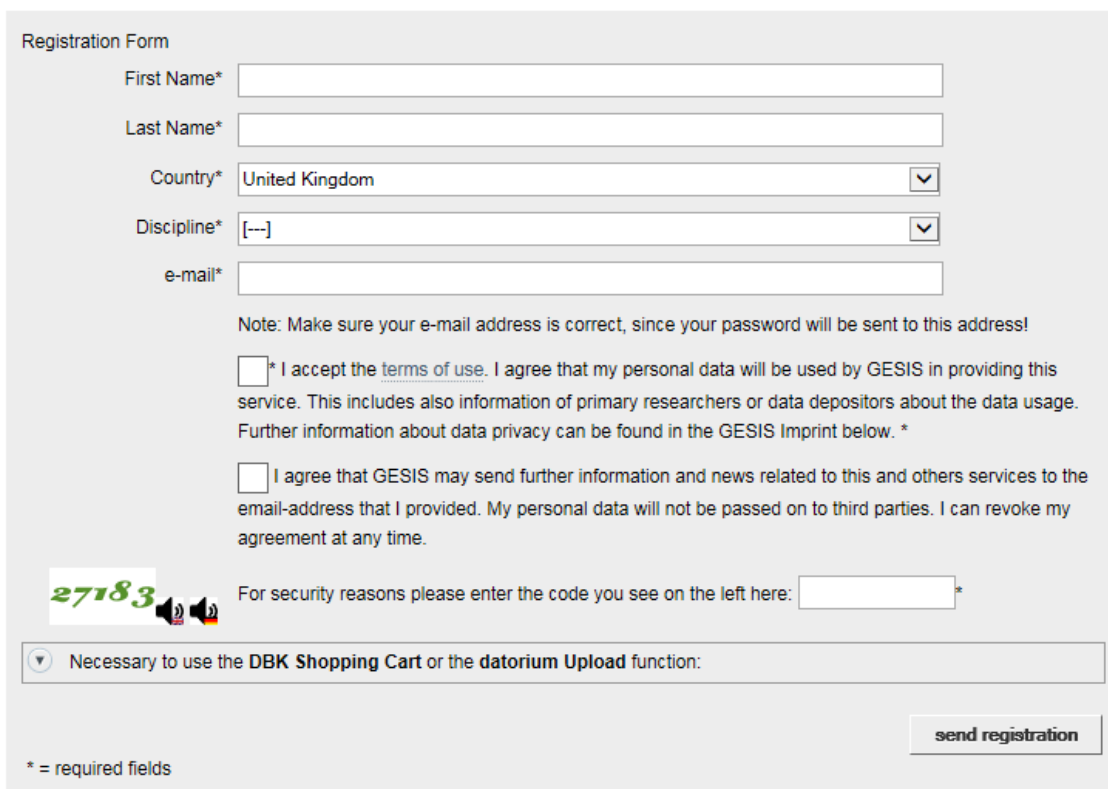

Data downloads from DBK are available after registration. Users that already have an account for ZACAT or datorium can also use it to log in to the Data Catalogue. If this is the first time you are using our data download services you will be required to complete a short registration form. Once registered, you will be able to download data. Registration is free of charge for all users.

A login form with a "Login" button at the top right. Below it are two input fields: "Username" and "Password". At the bottom right is another "Login" button. At the bottom left, there are two links: "You don't have an account? Please go to the [registration page](#)." and "Password forgotten? Goto [send password](#)."

Registered users can directly enter the Data Catalogue by clicking the "Login" button.

New users please click on "registration page" and you will be forwarded to the registration form displayed below.
